DETAILED ACTION

Claims 1-5 and 8-9 are pending in the instant application. Claims 6-7 have been canceled.

Response to Final Action

Applicant's response and amendment to the claims filed on 11/17/2008 are acknowledged. The rejections and objections made in the previous office action are withdrawn. The restriction requirement mailed on 10/3/2007 between the compounds is withdrawn in view of the entire scope of compounds being examined.

Reasons for Allowance

The present invention is directed to 1,2,3-triazole compounds of formula (I) for us as fungicidal agents. The closest prior art of record is Romagnoli, et al., Mycopathologia, 153, 2001, 129-132, especially page 130, which teaches the use of 1,2-diazole compounds as fungicides, while the instant application is directed to 1,2,3-triazole compounds. The instant application is senior to copending applications and therefore the double patenting rejections have been withdrawn as no other issues are outstanding. Therefore, claims 1-5 and 8-9 are allowable over the prior art.

Telephone Inquiry

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Susannah Chung whose telephone number is (571) 272-6098. The examiner can normally be reached on M-F, 8am-5pm.
